## ADDITIONAL COMPENSATION

Geneos has established relationships with other, non-affiliated investment advisors through which we will act as a solicitor and David Carl may refer you to the other investment advisors' management programs. When acting in this solicitor capacity, we receive a portion of the fee you pay to the other investment advisors.

When referring clients to third party money managers, Geneos receives a portion of the fees generated from the referral. Since each money manager has a separate agreement with Geneos, each agreement will have a different percentage of the fee paid to us. That fee is shared with your representative. This may provide an incentive for representatives to recommend one money manager over another one.
